HAIR & MAKE UP:

Stage makeup is required to prevent faces from appearing washed out under the theater's lighting. Consider it a heavier application of everyday makeup. Younger dancers only require natural eyeshadow, blush, mascara and lip color. Please ask an instructor if you need assistance.

Makeup Tips & Examples for Youth/Adult Dancers:

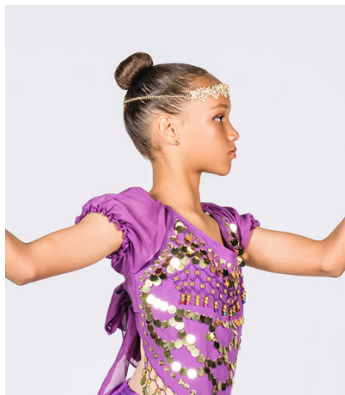

- Skin colored cream foundation, tinted moisturizer or light powder
- Light pink blush
- Eyeshadow palette with nude shades, brown or maybe a highlight/white shade
- Black or brown eyeliner pencil (optional)
- Black or brown mascara
- False eyelashes (optional)
- Lipstick (pink, nude or soft red - a simple lip gloss works too!)
- Setting spray so the makeup lasts the whole show!

Hair must be styled so it is pulled out of your or your dancer's face. We want to see their beautiful smiles.

All youth and adult dancers need to have their hair in a bun at the crown of their head (high bun). Prepare to have extra hair ties, bobby pins, and hairspray on hand at all times!

Hair Examples:

COSTUMES:

In the coming weeks, **you will receive an individual Costume Fee Invoice email.** Costumes need to be purchased and picked up **no later than November 14th**. Your child will not receive their costume **until payment is completed.** Please do not let your child wear their costume outside of the rehearsals until after the show. We want the costumes looking clean and fresh.

Dancers will receive a new pair of tights with their costumes for show week. Performers also need a **NEW PAIR of dance shoes** for show week.

No jewelry allowed. We don't want anything falling off during the show. This includes long necklaces, large earrings, watches, bracelets, permanent jewelry, etc.

UNDERGARMENTS:

There will be costume changes backstage! ALL female dancers need a nude leotard underneath their costumes at all times to make quick changes. You can purchase one online or through the studio!

ALL male dancers need black shorts and a white t-shirt or tank top underneath their costumes at all times to make quick changes backstage.

Extra Items to Bring:

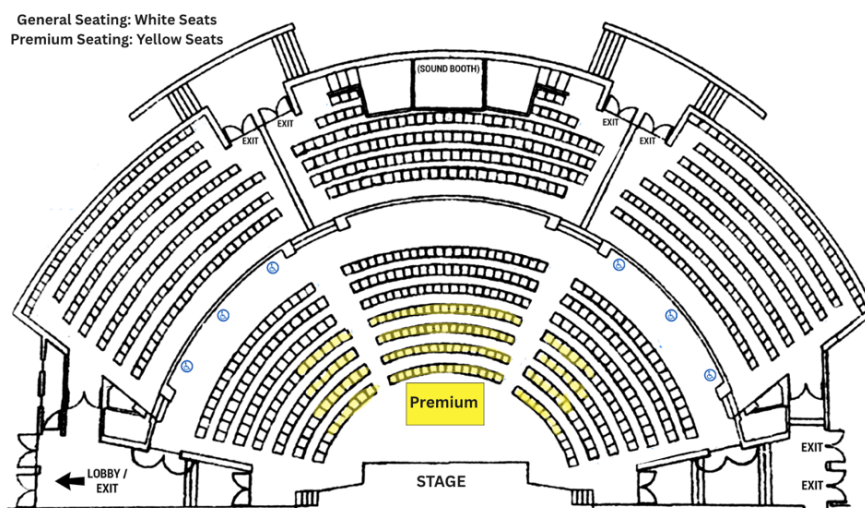

1. Water. All other beverages are prohibited in the theater during rehearsal or performance. **No food, drinks (other than water), or gum allowed.**
2. Books, quiet-time games, small blankets or pillows to entertain the kiddos while they aren't on stage.

Talk to your little performer about how they are feeling with the upcoming shows. Remind them that it's okay to feel nervous or have 'butterflies in their belly.' It means they are excited and care about the show. Talk to them about eating healthy meals the week of, staying hydrated, and getting extra sleep.

Encourage them to take charge by double checking their dance bag is packed with costume pieces, dance shoes, water bottles, a small rehearsal snack, and extra toiletries for backstage. Encourage them to practice their steps at home, and don't forget to tell them the reason why they are doing this... **TO HAVE FUN!** No matter what happens on stage, we want them smiling and having an unforgettable experience.

Parents, it's up to YOU to make sure they are prepared and arrive to **ALL the rehearsals on time and dressed!** We want to make sure YOU feel prepared, you know what to expect, and that your child is ready for the big performance.

SHOW FLOWERS:

BA Studios collaborates with [Casas Adobes Flower Shop](#) for our productions. Casas Adobes Flower Shop creates themed bouquets tailored to our shows and offers exclusive deals for our BA families and guests!

Why should I buy flowers?

- The designs are handmade by a local small business in Tucson.
- No stress at the last minute to purchase flowers for your dancers.
- **You don't have to carry flowers in your car! These flowers will be delivered to the theater on show days and can be picked up in the lobby!**
- Also, they are gorgeous fresh flowers.

*****Pictures of the flower packages and how to order will be emailed out at a later date.***

SHOW SHIRTS:

Custom show shirts are available for dancers, families, and guests to purchase. These shirts are not required for show, but many dancers love to wear them to rehearsals, at school or work, as warm ups at the theater and then keep them for memorabilia. Some parents like to wear them while volunteering at the show! We will have toddler, youth, and adult sizes available. **Deadline for orders is Sept. 21st.**

Adult Dancers: Additional Info

- If you'd like to perform, **please email us confirming your commitment to our shows by August 21st.**
- There are potentially two ballet, one jazz, one contemporary, one hip hop and one pom dance piece (depending on the classes you attend).
- There is a base **Performance Fee of \$69.** There are additional fees if you are performing a lead, small group, or soloist role.
- If you are performing, you are committing to **both production nights.**
- There will be a separate dressing room for the adult dancers backstage. A reminder that when you are backstage you are either onstage or in your dressing room. It becomes chaotic with the little ones when extra bodies are floating around.
- **We ask you to come to as many classes and studio rehearsals as possible.** If you miss more than 50% of rehearsals, we will ask you to not perform for your safety. **There are two full cast rehearsals at the studio and two full dress rehearsals at the Flowing Wells theater that are MANDATORY.** Absence fees will be enforced if you miss any of the mandatory rehearsals (\$25 per rehearsal).
- **We ask that you purchase and use a costume garment bag with your name on it to bring your costumes to the theater.** There are many available on Amazon, or you can purchase one through the studio.

Preschool Dancers: Additional Info

Preschool Parents:

- **Studio Rehearsals:** We will run their dance FIRST.
- **Theater Rehearsals and Show:** We will run the show in order. The preschool dance is second in the show and they will be done within the first half-hour of rehearsals.

Show Days (NOT the dress rehearsals):

1. You will bring your dancer backstage at 6:45p.m. to the assigned Preschool Dressing Room.
2. Preschoolers will change into costume, go to the stage and perform their dance.
3. You will have a parent or guardian collect your Preschool Dancer immediately following their dance.
4. Preschoolers will go back to the auditorium after they perform their dance.

Preschoolers will **not** stay in the dressing rooms during the shows.

- ☐ **Bring your dancer to the mandatory full cast rehearsals.** We want them getting used to being around the other dancers and being on stage and having many eyes on them while they perform. At the studio rehearsals, they will run their dance right away so they won't be there very long!
- ☐ **Hair must be pulled back out of their face.** We encourage a small bun. Since some dancers have very short hair, just make sure it's securely clipped and sprayed back.
- ☐ **Costumes:** All preschoolers will need:
 - **Costume and pink tights (covered by costume fee and purchased by the studio)**
 - **A new clean pair of pink ballet slippers**
 - **Costume Garment Bag** (Costumes must be stored in a garment bag. This helps keep all costume pieces organized and clean.)
